

# THE ROSWELL DAILY RECORD.

VOLUME 1.

ROSWELL, NEW MEXICO THURSDAY EVENING, SEPTEMBER 3, 1903

NUMBER 145

## The Santa Fe Central Surveying Party Is Coming Toward Us At The Rate Of Two Miles a Day

### THEY ARE COMING

To Roswell at the Rate of Two Miles a Day.

The New Mexican says that the surveying corps of fourteen surveyors, chainmen, flagmen, teamsters and a cook, under the command of J. R. Farewell, one of the engineers in the employ of the Santa Fe Central Railway company, left Torrance Monday morning for the purpose of surveying a temporary and permanent line for the Santa Fe Central railway from that point to Roswell.

The distance is estimated to be between 95 miles as a minimum and 110 miles as a maximum. Engineer Farewell has already made a reconnaissance of the route. A preliminary survey at the rate of about two miles per day will be run to Roswell and a permanent survey at the rate about one and a half miles per day will be made on the return trip from Roswell to Torrance. The time consumed in this work will be between five and six months. There will be no interruption as work during the winter can go on right along. The difference in altitude between Torrance and Roswell is 2800 feet and this will give a grade of about one half of one per cent per mile. The country between the two points contains no water along the route so far taken, but in several of the arroyos, it is believed that water can be had by digging. There is no timber along the route, but the grass is excellent and the range is fine. There are some arroyos of considerable extent to be crossed at the lower end of the line towards Roswell, but upon the whole, the building of the road will be had at a very reasonable cost and quite easy.

### Horse Threw Him.

Curtis Edgerton, the 13 year old son of C. E. Edgerton, had the misfortune to get his leg broken yesterday afternoon. He was riding a horse and was going to the fair grounds when the accident occurred. The horse stepped into a prairie dog hole and threw the young rider, and he sustained a very bad fracture between the knee and ankle. The horse left and the boy lay on the ground for nearly two hours suffering intense agony before any one knew of the accident. A passerby came to his aid and he was removed to his home and medical aid was rendered.

### In Honor of Miss Haynes.

Mrs. Charles Whiteman gave a flitch party at her home yesterday afternoon at 2:30 o'clock in honor of Miss Maimie Haynes. A highly delightful afternoon was spent by all of the young ladies present. Miss Ida Odem won the first prize and Miss Flora Whiteman the second. The following young ladies were present: Misses Maimie Haynes, Bettie Ogle, Ida Odem, Carrie Whiteman, Virgie Flournoy, Marie Lewis, Elsa Totzek, Beatrice Cottrell, Bessie Peacock, Nina Robb, Alda Smith and Minnie Brown.

### Market Letter.

Special to The Record. . . . . Kansas City, Aug. 31.—Cattle receipts at Kansas City last week were 52,825 head, and 6,952 calves, against 65,462 cattle and 5,870 calves the same week last year. For the month of August cattle receipts show a falling off of 40,000 head, or 16 per cent from last year. Every kind of cattle remained practically steady except the best corn steers, which gained 20 to 30 cents, and stockers and feeders, which lost 15 to 20 cents. Stockers and feeders, however, sold steadily out of first hands, speculators being strong buyers all week, they standing the loss, which country buyers forced them to take, in order to effect a clearance. It was a big week in stocker

and feeder line, more than 600 cars going out to the country feeders. Each week sees a bigger attendance of country buyers now than the preceding week had. Westerns sold about like previous week, fat stuff \$4 to \$4.75, cows \$2.25 to \$3.00, stockers and feeders \$3 to \$3.75 for most sales, and veal calves up to \$5.50. The run today is good at 17,000 head, but light runs at other markets encourage buyers, and fat steers, cows and quarantines are at steady to strong, stockers and feeders steady and active, and grass heaves a little slow.

The improved sheep run was met by steady markets at Chicago first of the week, but did not affect Kansas City, as supply was not large enough to allow buyers to become independent. Excellent country demand also held killers in line. Yearling westerns sold up to \$3.75, wethers \$3.60, ewes \$3.35 and best lambs \$5.00. Feeding wethers sold at \$3.30, breeding ewes, selected, \$3.25, and feeding lambs \$3.75 to \$4. Supply is insufficient, and much below the run at this time last year, 27,331 last week, against 41,960 same week last year.

Live Stock Correspondent.

### A Quiet Home Wedding.

J. Elmer Richey and Miss Frances McCain were quietly married this morning at 8:40 o'clock at the home of the bride's mother, Mrs. A. R. McCain. Rev. George Hinson, rector of St. Andrews Hall was the officiating minister.

**Cigars** When you want a good solid smoke give us a call. You can't miss us. On the corner opposite the post office.

**The Payton Drug Co.**

Prescription Druggists.

301 North Main.

There were only a few of their most intimate friends and relatives present, and the wedding comes as a great surprise. Immediately after the ceremony was performed they were driven to the depot and left on the morning train for a wedding tour to Denver and different points in Colorado. As the carriage was driven up to the depot they were showered with rice by their numerous friends and were heartily congratulated.

The bride is one of Roswell's most beautiful and charming society ladies, and the groom is a prominent young business man and is a member of the real estate firm of Richey and DeFreest.

Miss Cora McCain, a sister of the bride arrived from a trip to California on the train the bride and groom left on this morning.

The Daily Record joins their many friends and offers good wishes and congratulations.

### No Race Again.

Special to The Daily Record. . . . . Navesink Highlands, N. J., Sept. 2.—There was no race again today, on account of lack of wind.

### COUNTY COMMISSIONERS.
